

MONROE COUNTY
PLANNING & ENVIRONMENTAL
RESOURCES DEPARTMENT

Public Workshop Announcement

Livable CommuniKeys Program

LOWER KEYS
BAYPOINT—LITTLE TORCH

The Planning and Environmental Resources Department would like to invite you to participate in the planning of the future of the Lower Keys, Saddlebunch —Little Torch. The process of drafting a quality master plan hinges on community participation. We have scheduled 4 meetings to gather community input. We look forward to your participation in setting a vision for the future of the Lower Keys.
